

2023-2024 Concert Season

Lake Forest Civic Orchestra is Lake Forest's orchestra!

Lake Forest Civic Orchestra performs 4 regular season concerts and a routinely sold out "Holly Jolly" concert at the Gorton Center. Our chamber groups play throughout the community as pop-up in LF's Market Square, LB's Village Green, the LF Library, School District 67 and other not for profits such as the LB Open Lands Association fundraisers. Local high school musicians play with the orchestra, and have the opportunity to perform with the orchestra as soloists. This next season a choral group from LFHS will be performing Vivaldi's "Gloria" with the orchestra.

We are a 501(c)3 non-profit organization bringing music professionals and accomplished amateur musicians together to perform beloved classical works. We ranged from 190-250 patrons per concert. Our email lists have more than doubled since 2020. We had an article in Forest & Bluff magazine October 2023, highlighted in Gorton's summer newsletter and numerous online Chicago Tribune articles. Our fundraising campaign last season with the help of a \$10,000 matching donor raised over \$20,000. We have a matching \$10,000 donor for this year's fall fundraiser as well.
